PROFILE

Passionate and detail-oriented Computer Science undergraduate with a strong foundation in software development, algorithms, and emerging technologies. Continuously exploring new advancements to stay ahead in the evolving tech landscape. Strong analytical thinking, problem-solving abilities, and excellent communication skills. Pursuing a Bachelor's in Computer Science to deepen my expertise, building on my IT diploma from Ngee Ann Polytechnic. Open-minded and adaptable, with a keen interest in innovation and practical applications of technology. Eager to contribute, collaborate, and make a meaningful impact in the field.
